

Student Acceptable Use of Technology Agreement

Sutherland Secondary School

Be Respectful

- Use school devices and accounts for learning only.
- Be kind online. Don't post or share hurtful messages, images, or personal information.
- Respect the privacy of others — don't use someone else's account or files.

Be Safe

- Protect your passwords and never share them.
- Think before you post — once something is online, it's hard to remove.
- Don't visit or share inappropriate websites. If you see something unsafe, tell a teacher or adult right away.

Be Responsible

- Take care of school equipment and respect digital property (like software, music, and images).
- Always give credit when you use information, images, or ideas from others.
- Use your personal device at school only with your teacher's permission and for schoolwork.

Understand the Limits

- The school can check devices and accounts if needed to keep everyone safe.
- You are responsible for what you do online at school.
- Misuse may result in losing technology privileges and other consequences.

By signing, I agree to use technology safely, respectfully, and responsibly.
